

Amendments to the Specification

Applicants submit that the following amendments to the specification are consistent with the originally filed specification and no new matter has been added.

I. Please delete the tables on pages 130, 131 and 133.

II. Please add the following paragraph at the beginning of pate 130:

Figure 1 provides an example of a first schedule form of the permanent global note in one embodiment of the multi-jurisdictional repacking program.

II. Please add the following paragraph at the beginning of pate 131:

Figure 2 provides an example of a second schedule form of the permanent global note in one embodiment of the multi-jurisdictional repacking program.

III. Please add the following paragraph at the beginning of pate 133:

Figure 3 provides an example of a fourth schedule form of the permanent global note in one embodiment of the multi-jurisdictional repacking program.
